RE: Case No 2007-00383
Filing Deficiencies

The Commission staff has reviewed your application in the above case. This filing is rejected for the reasons set forth below.

1. Filing deficiencies pursuant to KRS 278.180

KRS 278.180 Has 30 days' notice been given to the Commission? (No effective date means no notice given and this is acceptable.)

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may refile your proposed tariff with a new proposed effective date that is at least 30 days from the date you file the required information. You are requested to file 5 copies of this information within 15 days of date of this letter. If you need further assistance, please contact Todd Osterloh at 502/564-3940 ext. 439.

Sincerely,

Mike Burford
Director Division of Filings
